Training

Website Design Manager (CIW) Course

SkillsTrain 📅 2006

In-house training on platforms

Dot Mailer, Exact Target, Silver Pop, Campaign Monitor

Interests

Travelling

Before the pandemic hit I liked to travel & is what attracted me to remote working.

Gaming

Between coding sessions I like to have a game or two on the Xbox to unwind!

Technology

I do my best to keep up with the latest tech & evolvements.
